VOLUME TIERS

\$2,000

FROM, PER ORDER

Same day

DISPATCH BEFORE 5 PM

TIER	QUALIFICATION	INDICATIVE SAVING
W0	\$2,000+ per order — reseller entry, no annual commitment	~30% off MSRP
W1	\$5,000 – \$24,999 annual	~37% off MSRP
W2	\$25,000 – \$74,999 annual	~41% off MSRP
W3	\$75,000 – \$149,999 annual	~45% off MSRP
W4	\$150,000+ annual	~50% off MSRP

Tiers are set on trailing 12-month spend and reviewed quarterly, so a tier is held on smaller reorders. Pricing is set per product, not as a flat percentage. Nasal sprays are priced on a separate, narrower band. Products are supplied in sets of 10 units per SKU. Full per-SKU pricing is issued on approval.

WHAT YOU GET

- Tier-based pricing across the full catalogue
- Independent third-party analytical verification, batch by batch
- Batch-specific documentation on request
- Canadian inventory, same-day dispatch
- Named account contact
- Advance notice on new SKUs

HOW IT WORKS

- Apply online with your business details and expected volume
- We review and confirm your tier
- You receive the full pricing guide and a named contact
- Send a SKU list — we confirm tier, lead time and total in writing
- Funds confirmed before 5 PM ET dispatch the same day

Apply at durhampeptides.ca/wholesale-peptides or email info@durhampeptides.ca. Buying for a single research programme? Our retail volume codes will serve you better — they start at \$200 per order.
